No participant can at the same time be part of more than one organization/team taking part in overlapping seasons of ESL professional gaming competitions, including but not limited to Intel Extreme Masters, ESL One, ESL Pro League, ESL National/Regional Championship or any of those leagues' qualifiers e.g. Mountain Dew League. If there is uncertainty whether someone is allowed to participate, please raise the issue with the tournament officials as soon as possible.

1.4 Time Zone

The ESL websites (<https://play.eslgaming.com> and <https://pro.eslgaming.com/uk>) will display the times of match according to the time zone each user has specified in the account settings. Users that are not logged in will have times displayed in the timezone assigned to them from their Geolocation.

Official league communication will use the following timezones:

- UK - GMT or BST

1.5 The Season

The season is approximately 12 weeks long, which includes the regular season, playoffs and the relegation tournament.

1.6 Region

For the ESL Premiership, we use one main region which is Europe. The valid countries that can enter the ESL Premiership from inside Europe are the following places:

- Albania, Andorra, Armenia, Austria, Azerbaijan, Belarus, Belgium, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Czechia, Denmark, Estonia, Finland, France, Georgia, Germany, Greece, Hungary, Iceland, Ireland, Italy, Kazakhstan, Kosovo, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Moldova, Monaco, Montenegro, Netherlands, North Macedonia, Norway, Poland, Portugal, Romania, Russia, San Marino, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey, Ukraine, United Kingdom, Vatican City

1.7 Punishments

1.7.1 Definitions and Scope of Punishments

Punishments are given for rule violations within the ESL Premiership. They may be either warnings, minor or major penalty points, monetary fines, default losses, player/team barrages or disqualification, dependent on the incident in question and often combinations of two or more of those. Participants will be informed about the punishment via Discord.

1.7.1.1 Warnings

Official warnings are given for the first time minor incidents such as but not limited to not uploading required match media, being late, delaying a broadcast, insufficient match statements, insufficient information on a team account or other related material, and so on. Any repeated offenses of the same kind will lead to more severe punishments.

1.7.1.2 Minor Penalty Points

Minor penalty points are given for minor incidents such as but not limited to not uploading required match media, being late, delaying a broadcast and everything included in point 1.7.1.1. Every minor penalty point deducts one (1) percent of the overall prize money received by a team in the competition.

1.7.1.3 Major Penalty Points

Major penalty points are given for major incidents such as but not limited to deliberately deceiving tournament administration, failing to show up for matches, repeated rule-breaking, and so on. Every major penalty point deducts ten (10) percent of the overall prize money for that competition.

1.7.1.4 Monetary Fines

Monetary fines are given for failure to fulfil obligations that are not directly related to the tournament, like press/media appointments, interviews, or planned sessions for fan interactions.

1.7.1.5 Bans and Barrages

Bans or barrages are given for very severe incidents like ringing or use of an unallowed player. They can be given either to a player or a team.

1.7.1.6 Disqualification

A disqualification will happen in the most severe cases of rule violations. A team will be disqualified if they reach thirty-five (35) penalty points. The disqualified participant forfeits all prize money accumulated for the competition in question. In some cases, teams and players could also be banned for up to two (2) years from the competition.

1.7.1.7 Additional Methods of Punishment

In special cases, the tournament administration can define and come up with other methods of punishments.

1.7.2 Combination of Punishments

The listed methods of punishments are not mutually exclusive and may be given in combination as seen fit by the tournament administration.

1.7.3 Punishments for Repeat Offences

All punishments outlined in this rulebook are applicable for first-time offences. Repeat offences will usually be punished more severely than listed in the appropriate section of these rules, in proportion to the punishment listed there.

1.7.4 Punishments and Sanctions Outside the ESL Premiership

Punishments and sanctions outside of the ESL Premiership, on the ESL Play platform, do not normally apply towards ESL Premiership except when the punishment has been awarded for cheating. Some other misbehaviours like ringing, faking or insulting can also be punished, depending on the severity.

1.8 Live Matches

The term “Live Matches” refers to matches that take place in a public location, during the event, matches in a studio, or matches broadcast by ESL TV or an official partner.

1.9 Player Transfer

When any player is added to a team in the ESL Premiership, this is considered a transfer. If a player from an existing ESL Premiership team moves to a different team in the ESL Premiership, this is classed as a transfer for the team that received the player. The only time a move is not classed as a transfer is when a player moves roles within the team.

A player leaving a roster will not grant a team a transfer to replace the player. Substitutes are highly recommended just incase a team is out of transfers.

The publication of such material is prohibited without written consent from the ESL Head Referee. Any breach of confidentiality will be reviewed on a case by case basis with a maximum of fifteen (15) penalty points being assigned. In

addition, if confidentiality has been broken the user will need to remove it from any public source immediately. Every 24 hours it is public the team will receive harsher punishments.

2.4 Additional Agreements

The ESL Premiership administration is not responsible for any additional agreements, nor do they agree to enforce any such agreements made between individual players or teams. The ESL Premiership administration highly discourages such agreements taking place, and any agreements that go against the ESL Premiership rulebook are under no circumstances allowed. This includes, but is not limited to, agreeing on rescheduling matches, and playing with different rosters that were originally stated to tournament officials.

2.5.3 Player Responsibility

Players cannot refuse to have their matches broadcast, nor can they choose in what manner the match will be broadcast. The broadcast can only be rejected by the tournament officials. The player agrees to make sufficient accommodation so that broadcasting of matches can take place.

2.6 Communication

The main official communication method of the ESL Premiership is Discord. The Discord will be mandatory for all participants to keep up to date on the day to day running of the ESL Premiership. Discord is also used for communication during live matches.

Please allow up to twenty-four (24) hours to receive a response at any given time, if you haven't received a response within twenty-four (24) hours, please ensure you have tagged the relevant department or individual people. If you haven't received a response within twelve (12) hours of tagging an individual then please send an email to premiership.uk@eslgaming.com where the correct people can get in touch as soon as possible. If you contact a member of staff outside of the designated Discord channels, your query or request may not be received. Please do not rely on DMs.

It is mandatory for at least three (3) active players and one (1) staff member (where applicable) to be present on the ESL Premiership Discord throughout the active season.

2.6.2 Email

Email is used as a second form of communication during the ESL Premiership. An email will be used to communicate important information such as league infractions and investigations.

2.6.3 Player Responsibility

Players are responsible for ensuring that they are in the correct server on Discord to receive the correct amount of communication from the tournament officials. If a player/team is found to not be in the correct place, then the team will receive one (1) penalty point for every game day they fail to comply.

2.7 Sponsor Restrictions

2.7.1 Mature Content

Sponsor or partners that are solely or widely known for pornographic, drug use or another adult/mature theme and products are not allowed in connection to the ESL Premiership.

2.8 Conditions of Participation in the ESL Premiership

The following conditions must be met in order to participate in the ESL Premiership.

2.8.1 Age Restriction

All participants of the ESL Premiership have to be over sixteen (16) years of age. If a player is under the required age to participate but will be turning to the required age to participate during the Premiership, they must be classed as a substitute and benched until the day they reach the required age to be a participant.

2.8.2 Regional Limitations for Participants

All participants must reside in Europe. Coaches and other organisational staff can be from outside Europe but will not be supported for travelling to events by ESL.

2.8.3 Home Country

Participants may only play in the country they are from. A player's home country is the country where their main place of **residence** is (proven by legal registration or long term visa in connection with evidence of long-time habitation - 90-day visas are not valid) or the country they hold a valid passport from. This decision can be made anew for every season, but once made it will be final and irreversible for that season and its qualifiers.

2.8.4 Physical Location During Online Matches

Online matches have to be played from the country they are registered to from that season. An exception to this rule is only possible by written consent from ESL. It can only be granted if the participant can explain and prove to have a valid reason to play from elsewhere, and if their ping is reasonable.

2.8.5 Residency Requirement

A line-up must consist of three (3) players playing from the United Kingdom. Not meeting this requirement will result in the team not being able to play.

2.9 Player Details

When requested, players are required to provide all the needed information including but not limited to full name, contact details, date of birth, address, photo and photo of passport.

2.9.1 Game Accounts

Every playing member must have their game accounts entered on their ESEA profile and must provide it to the tournament officials at the start of each season.

2.9.2 Ingame Nickname

Players must use appropriate in-game nicknames that match their online nicknames. These nicknames should match what is provided on the team sheets. If any player does not adhere to this, one (1) penalty point will be issued for every map this player has an incorrect name.

2.9.3 Multiple Teams

A player will only be allowed to play under one team at a time. If a player would like to play for another team then they need to officially have left the previous one.

2.10 Teams

Slots in the ESL Premiership are considered owned by the majority of the players in each team. Each team must select a team representative. The team representative must be a starter, a coach or a manager. The team representative must choose the official point of contact for the team. The official point of contact can request the prize money and add or remove players etc.

2.10.1 Changing the Team Representative

A team representative may be changed at any moment by

- A request from the current team representative
- A request from the majority of the main players and coach in the team
 - In teams without coaches, 3 out of 5 main players
 - In teams with coaches, 4 out of 6 individuals

2.10.2 Standards

When requested, teams are required to send us all needed information including, but not limited to logos, and social media accounts. An ESL Premiership team must abide by certain standards of quality. The following information must be provided at the start of the season:

- Relevant team name
- Team logo, in vector format, both dark and light versions (where applicable)
- Team representative contact and a backup representative
- An organisation contact

2.10.3 Team Names

The ESL Premiership team name must not have any extensions such as “CS team”. It must only consist of the team name and/or a potential name sponsor. To prevent confusion, only names that are not already being used by another team in the same discipline are allowed. Sponsor names may appear on more than one team as long as the main part of the team name differs.

A teams name must not conflict with publisher or ESL sponsor rules. Teams will be contacted with a request of a name change due to breaking these rules.

2.10.4 Changes in Team Appearances

All changes must be requested twenty-four (24) hours before the start of the next playday in which the team is participating in. Any changes in the team account should be approved by the tournament officials before the changes are allowed to take place. This includes but is not limited to:

- Adding or removing players
- Changing the team name
- Changing the team logo

Any changes completed without approval of the tournament officials will be revoked, not shown on broadcast and subject to penalties. Approval may only be granted by the Head Referee and must be granted via Discord if approval is given by anyone else, the Head Referee has the right to revert this change.

2.10.5 Roster Changes

2.10.5.1 Formal Requirements

Before a player can be officially added to the roster, the tournament officials of the ESL Premiership must be formally informed via Discord. The required information is all information required for the team sheet which was completed at the start of the season. Seek assistance from tournament officials if you're unsure what should be included.

Failure to notify the ESL Premiership tournament officials with the necessary information before adding the player may be penalised with up to two (2) minor penalty points. After a player is added to the team, the player needs to fill in the GDPR form that was provided at the start of the season. When the information has been given to the tournament officials, this will go through rigorous background checks to ensure the eligibility of the new addition.

2.10.5.2 Player Addition Deadline

During the season, all transfers must be completed by 18:00 BST the day prior to the tournament game for the player(s) to be eligible to play the following game day. Between 18:00 BST the day before and 12:00 BST on the day of the tournament game, any transfers wanting to be made in this time will result in five (5) penalty points. Any transfers between 12:01 - 18:00 BST on the day of the game will result in one (1) major penalty point being assigned. No transfers will be able to be made after 18:01 BST on game day.

2.10.5.3 Number of Transfers

Teams are only able to make **two (2) transfers per season** to their roster, this can occur at any point during the season but has to abide by point 2.10.5.2.

2.10.6 Team Composition

2.10.6.1 Start of the Season

Teams which have been invited to the ESL Premiership due to their final placement in the qualifier event or the previous season have to consist of at least five (5) main players, up to four (4) substitute players. At least three (3) of the main players have to be members of the team that is invited to the ESL Premiership and need to have played in at least fifty per cent (50%) of the matches of the qualifier or previous season. If two (2) teams qualify for the same spot, the team with the highest sum of matches across their players will be invited. In case of a tie between two teams, the spot will be granted to one with more main players at the end of a season. If a player leaves a team, all the matches played by that player before leaving will not be considered into this calculation.

2.10.6.1.1 Replacement Teams

If a team does not accept their invitation to the next season, a replacement team will be called upon. Depending on the time frame that this team is required to join the league, so standards will not be bound to that team. If the replacement team aren't able to adhere to the rules completely, then they will be given less severe penalty points, but still able to play in the league.

2.10.6.2 During the Season

Three (3) of the five (5) main players need to be members of the team until the end of the season to be allowed to play during that season. If at any point this restriction is not fulfilled, the team can lose its slot in the ESL Premiership.

2.10.6.3 Late Roster Submission

The final date to submit the start of season roster is 12th August at 23:59. If submitted between the 13th 00:00-23:59 two (2) major penalty points will be assigned. Failure to submit before the 13th at 23:59 will result in a DQ and a replacement team will be found.

2.10.7 Match Lineup

The team's lineup for every match must consist of a minimum of three (3) starters and a maximum of (2) substitutes, and exactly five (5) players.

2.10.8 Insufficient Players

If a team for any reason does not have a sufficient number of players to participate in the ESL Premiership match, the team will be awarded a loss with the worst possible result. Therefore it is suggested that every ESL Premiership team has substitutes added to the roster to compensate for any player losses during the season. We also recommend registering the Coach as a substitute, they will be unable to play unless they are registered on the roster as a substitute.

2.10.9 Multiple Contracts

For a player in the ESL Premiership to have a contract or agreement with 2 or more ESL Premiership teams is strictly forbidden, may it be written or oral. If such a contract or agreement is found to be in existence, ESL reserves the right to bar the player from playing any more matches until the situation has been resolved. If the situation can not be resolved, the ESL Premiership have the right to remove the player or team(s) in question.

2.10.9.1 ESL Premiership Division Two (2)

Players are not allowed to play in both the ESL Premiership and in Division Two (2) at the same time. The team in which the player is on in the ESL Premiership will be awarded two (2) minor penalty points for the first play date the player played in Division Two (2). If the player plays in more than two (2) play dates in Division 2 then they will be removed from the ESL Premiership for the rest of the season.

2.10.10 Representing Organisations

A team which represents an organisation will be able to change which organisation they represent once during the season. If a team does not want to represent the organisation anymore but does not have one to represent they will be considered ex-'Organisation' but this is not considered against their organisation change limit. If a team does not have an organisation to represent from the beginning of the season they are allowed to change names to represent an organisation up to twice during the season.

2.11 Cheating

2.11.1 Cheat Software

The use of the following programs is considered cheating: Multihacks, Wallhacks, Aimbots, Coloured Models, No-Recoil, No-Flash and Sound changes. These are only examples, other programs or methods may be considered cheats as well.

Players are not allowed to run the following programs: Teamviewer (or any other similar screen sharing program), or Virtual Machines of any kind including but not limited to Hyper-V, VM Ware, or VirtualBox. If these programs are detected during a match, the guilty player will be barred from the league for a period defined by the tournament officials.

2.11.2 Information Abuse

Communication during the match with people not involved in the match is strictly forbidden, the same is true for using information about your game from other external sources (e.g. streams).

2.11.3 Methods of Detecting Cheats

ESL reserves the right to use different methods to inspect participants and their equipment, with or without prior information. One of these is the use of metal detectors on participants entering the stage. Participants are not allowed to refuse these inspections.

2.12 Anti-Cheat

2.12.1 ESEA

The ESEA client is mandatory for all players to use for the full duration of all matches without exception. If a player cannot use the ESEA client then they will not be allowed to take part in the match. At offline events, this rule is usually not applied.

2.13 Prize Money

All prize money will be paid out within ninety (90) days after the end of the ESL Premiership season. If a team does not request the prize money payment within six (6) months after the conclusion of the tournament, ESL reserves the right to refuse payment. The total prize pool amount is £13,000.

- 1st £5500
- 2nd £2800
- 3-4th £1150
- 5-6th £700
- 7-8th £500

2.13.1 Prize Deductions Due to Penalty Points

Every penalty point that a participant acquires during a season is penalised with a prize money deduction. The deductions are as follows:

- For every minor penalty point, a 1% overall prize money deduction will occur.
- For every major penalty point, a 10% overall prize money deduction will occur.

The deduction is calculated out of the grand total of prize money awarded to the participant at the end of the last stage of the tournament. The deducted prize money will be proportionally added upon the other teams, thus no prize money gets lost through penalty points. It should be noted that a team that received extremely high prize money deductions in total over several tournament stages may be disqualified.

2.13.2 Prize Deductions Due to Monetary Fines

Monetary fines are not redistributed to the other participants but just removed from the winnings of the team in question.

2.13.3 Withdrawal of Prize Money

Prize money must be requested by the official point of contact for the team. As long as the prize money for the ESL Premiership has not been paid out, ESL reserves the right to cancel any pending payment if any evidence of fraud or foul play has been discovered.

2.13.4 Transfer of Prize Money

The prize money will be sent as a bank transfer. Failure to provide sufficient information for the payments to be completed will result in payments not being made and being delayed significantly. The full amount of prize money will be sent to one recipient only. ESL is not responsible for the agreements between teams on the distribution of prize money.

2.14 Leaving the ESL Premiership

2.14.1 Leaving During the Season

If a team leaves the ESL Premiership during a season, the team forfeits all prize money accumulated for the season.

2.14.2 Re-evaluating Matches

In the event of a team leaving the ESL Premiership before the halfway mark of the season (defined by ESL), ESL will aim to find a replacement team. If a team has been found they will inherit the previous scores from the matches that have already been played.

In the event that a team cannot be found or if it is past the halfway mark of the season the games will be scored as a default win(s) for their opponent. Any matches that have already been played by that team, the score will not be amended.

2.14.3 Replacement Teams

If a participant for any reason leaves the ESL Premiership, a replacement will be called up. The replacement will inherit any financial benefits like paid flights and hotels from the dropped participant. Usually, groups or brackets will not be reseeded if they were already publicly announced before the drop-out happened. In special cases, when the fairness of the competition is in jeopardy, the tournament officials can still change or even redraw the tournament. Replacement participants will be considered and contacted to ask whether or not they want to participate.

2.14.3.1 Replacement Tiebreaker

If participants have an identical score/position on/in the relevant invite list or qualifier, the one that has had the smallest change in the lineup since then will be preferred. If that leaves several options, the tournament officials will make a choice based on their results or, if the schedule permits, additional matches.

2.14.3.2 Replacement Deadline

The deadline for replacing a team in the group stage is at the end of the week where the first playday is occurring. For season finals, replacement teams must be chosen up to one (1) week before the scheduled arrival date for the team in question.

2.15 Match Start

2.15.1 Punctuality

All matches in the ESL Premiership should start as stated by the tournament officials. Any changes in the start time must be approved by the tournament officials and if ESL mandates a change in start times, participants will be informed as soon as possible.

All participants should be ready sixty (60) minutes before the scheduled time for each match. In offline events, we expect every player to be at the tournament area as stated in the Tournament Directors information email to set-up, prepare and solve any technical problems that might occur.

If teams notice that they are going to be late for a match, they should inform the ESL Head Referee as soon as possible. Any delays caused by showing up late will lead to penalty points, see points 2.15.3 and 2.15.4.

2.15.2 Starting the Match

A match can only be started with strict permission from a tournament official. Starting a game without the permission from a tournament official will result in both teams receiving two (2) minor penalty points.

2.15.3 Delaying the Match

Penalties for delaying a match will be awarded if a participant is more than five (5) minutes late. Teams are given two (2) penalty points per every five (5) minutes up to fifteen (15) minutes. The timer starts 10 minutes after the last game finishes.

2.15.4 No-Show

If a participant is not ready to play until fifteen (15) minutes after the scheduled start of the match, it is considered a no-show. In that case, the participant will be penalised and lose the match with the worst score possible. The team will also be given one (1) major penalty point in addition to the points gained due to 2.15.2.

If the no-show was made aware to the Head Referee at least 72 hours prior to the scheduled game time then teams will be given five (5) penalty points and the match will have defaulted.

2.15.5 Technical Issues

If a technical issue arises when a match should be played a team will be given fifteen (15) minutes to attempt to fix or find an alternative option, the timer will start from when the match should have started. After the fifteen (15) minutes the team will forfeit the map with the worst possible score.

If during a series the team defaults a map they will be given an additional ten (10) minutes to fix the issue. If the problem is not resolved that the team will forfeit the series with the worst possible score.

2.15.6 Mid Game Substitute

If a map has started and an issue does arise a substitute will not be allowed to replace any member of the team.

2.17 Match Procedures

2.17.1 Lineup

Participants must submit their lineup (list of players for each match) for online events before 15:00 BST on game day. Submissions can be posted at any point during the season, but it must be specifically specified what roster is being used for what week. Any submissions between 15:01 - 18:00 BST will be classed as late and will result in two (2) minor penalty points. If a lineup has still failed to be submitted after 18:01 BST till the scheduled match start an additional three (3) minor penalty points will be assigned. If then after the scheduled match time has passed and a line up has once again failed to be submitted an additional five (5) penalty points will be assigned.

In the instance that there is a discrepancy between the submitted roster and the roster that is available to play then this will be treated as though no roster was submitted. In the event of an emergency, teams will be able to change their submitted game day lineup, on one (1) occasion, after the deadline without any penalties. This is subject to the tournament officials discretion.

2.17.2 Determining the Seeds at the Start of the Season

The lobby will wait for a maximum of 20 minutes (Including the 10 minutes already given) before a team will receive a default.

2.17.5 Leaving the Lobby

All matches must be played to the end, failure to do so will be penalised. A match is considered complete when the final scoreboard is shown on screen. The second time it happens in a season, the team will be punished with one (1) minor penalty point.

2.17.6 Storage and Keeping Match Media

All match media (screenshots/demos/replays etc.) must be stored by participants for a minimum of two (2) weeks after the match has ended. If there is a protest for a match, the recordings need to be stored by the participants for a minimum of two (2) weeks after the protest has been closed and resolved.

2.18 Tournament Officials

The instructions of the tournament officials should always be obeyed and followed. Failure to do so may result in penalty points being given. In extreme cases, failure to follow the decision and orders of the officials can result in disqualification. It is dependant on the tournament officials discretion as to what punishments are given.

2.19 Reschedules

Rescheduling games by day are not allowed in any circumstances. Rescheduling games with enough prior warning is possible by time. If you wish to reschedule your game you must contact the ESL Head Referee via your team Discord channel a minimum of two (2) weeks prior to your scheduled game day. The affected parties will be contacted to 'OK' the reschedule, only once the Head Referee confirms the reschedule will it be in effect. All parties will have until 72 hours prior to the affected fixture to confirm a reschedule.

ESL may reschedule matches if there is a conflict of interest between tournaments that affect a number of teams within the league, in order for all teams being able to participate in all leagues. It is requested that if a player is attending an event that may be a conflict for the ESL Premiership, they should contact a member of staff to inform them of the event.

Failure for a player to bring such attire may result in ESL providing suitable clothing for that participant. The cost of the clothing will then be subtracted from the total prize money paid out to the participants. Any kind of headwear is forbidden.

Most events will have a mandatory media day, where participants will be photographed, filmed and interviewed by ESL staff members for the event presentation. takes time to check new positions and therefore they should contact the League administration in a reasonable timeframe before an official match.

6. ESIC, Rule Violations and Punishments

All penalties are at the discretion of the tournament officials and may be more or less severe than what is specified in this rulebook depending on the circumstances.

6.1 ESIC

ESL and its tournaments are part of ESIC, the Esports Integrity Coalition. That means all rules and regulations of ESIC apply to ESL tournaments, including the ESL Premiership. You can find more information on their website: <http://www.esportsintegrity.com>

6.2 Code of Conduct

All ESL Premiership participants agree to behave in an appropriate and respectful manner towards other participants, spectators, the press, ESL and more. Being a role model is an occupational hazard of being an ESL Premiership player or organizer and we should behave accordingly. Any sort of harassment should be reported to the tournament administration immediately. Harassment includes but is not limited to offensive statements or actions related to gender, gender identity and expression, age, sexual orientation, disability, physical appearance, body size, race, religion. Also considered harassment are things like sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact and unwelcome sexual attention. Similar restrictions apply not only to the participants but every single person involved with the ESL Premiership. Anyone breaking this code of conduct may be punished, including expulsion and possibly criminal prosecution.

6.3 General Punishments

Depending on the information and platform where the information is leaked, participants are reviewed on a case by case basis with a maximum of fifteen (15) penalty points being assigned. See 2.3.

6.3.2 Refusal of Match Broadcast

6.3.3 Providing and Changing Participants Details

6.3.3.1 Providing Incorrect Details

Refer to 2.9 and 2.10 and their subsections for more information on the penalty points applied. If there is proof of faking details, the player may be banned and/or the team disqualified, this will be reviewed on a case by case basis.

6.3.3.2 Providing Details After the Deadline

An official warning will be given, with a deadline and request to provide details that meet the league's criteria. If the new details are still not up to standard, the participants will receive penalty points.

6.4 Punishments for Cheating

When cheating is uncovered in the ESL Premiership, the result(s) of the match(es) in question will be voided. The player will be banned, the team disqualified, forfeit their prize money, receive twelve (12) penalty points on ESL Play (where applicable) and will be banned from all competitions in ESL for a duration of normally five (5) years. This duration can be lower if significant mitigating factors are in play, but also higher, if there are aggravating circumstances.

6.5 Doping

6.5.1 Refusing to be Tested

Refusing to be tested is considered doping. Punishments will be the same as for severe cases of substance abuse.

6.5.2 List of Prohibited Substances and Methods

The list of prohibited substances and methods created by ESIC is valid for the ESL Premiership. The list can be found by visiting their website.

<http://www.esportsintegrity.com/the-esic-integrity-programme/esic-prohibited-list>

Any unsanctioned use of these substances is considered doping

6.5.3 Prescribed Medication

If players have an active prescription for a substance on the WADA list, they have to send proof to the tournament officials before the first day of the tournament (deadline in local time). They may still be subject to a doping test, but a positive result for the prescribed substance will be disregarded.

6.5.4 Punishments for Doping

Mild cases of doping will be punished with a warning and possibly minor penalty points for the participant, this will be reviewed on a case by case basis. Severe cases (i.e. use of drugs containing performance-enhancing substances, like Adderall) will be punished with the nullification of the results achieved under the influence of the substance, a ban of one to two years, forfeiture of the prize money won, as well as disqualification of the participant. If a player is found guilty of a severe case of doping only after the last match of the tournament has already been over for at least 24 hours, the player will still get a ban, but the tournament results will remain in place and there are no consequences for the team. Mild cases will not be punished at all, after that time.

6.6 Using Alcohol or Other Psychoactive Drugs

To play a match, be it online or offline, under the influence of alcohol or other psychoactive drugs, is strictly prohibited, and may lead to severe punishment. Moderate consumption of alcohol outside the active tournament hours for a participant is permitted if not in conflict with local/national law.

6.7 Betting

No players, team managers, staff or management of attending organizations may be involved in betting or gambling, associate with betters or gamblers or provide anyone with any information that may assist betting or gambling, either directly or indirectly, for any of the ESL Premiership matches or the tournament in general. Any betting or gambling against your own organisation's matches will lead to immediate disqualification of the organization and a minimal ban of one (1) year from all ESL competitions for all persons involved. Any other violation will be penalized at the sole discretion of the tournament direction.

6.8 Competition Manipulation

Offering money/benefits, making threats or exerting pressure towards anyone involved with the ESL Premiership with the goal of influencing a result of a match is considered competition manipulation. The most common example is offering your opponent money to let you win.

6.8.1 Punishments

When competition manipulation is uncovered in the ESL Premiership, the result(s) of the match(es) in question will be voided. The player will be disqualified, forfeit their prize money and be banned from all competitions in ESL for a duration of between one and two (1-2) years. A monetary fine is possible. In team competitions, the team will be disqualified from the current season of the ESL Premiership.

6.9 Match Fixing

Using any means to manipulate the outcome of a match for purposes that are not sportive success in the tournament in question is considered match-fixing. The most common example is intentionally losing a match to manipulate a bet on the match.

6.9.1 Punishments

When match-fixing is uncovered in the ESL Premiership, the result(s) of the match(es) in question will be voided. The player will be disqualified, forfeit their prize money and banned from all competitions in ESL for a duration of normally five (5) years. This duration can be lower, if significant mitigating factors are in play, but also higher, if there are aggravating circumstances a monetary fine is possible.

6.10 Publisher or ESIC Bans

ESL reserves the right to refuse players who have standing bans from the game publisher to take part in the ESL Premiership. Also, ESIC bans will be honoured and translate into ESL bans. CSGO VAC bans are specifically honoured, but only until two (2) years after they have been issued.

6.11 Breach of Netiquette

For an orderly and pleasant game, it is essential that all players have a sportive and fair attitude. Breaches of this rule will be punished with one (1) minor to one (1) major penalty points. However, the tournament administration may assign penalties for not explicitly listed types of unsportsmanlike behaviour (e.g. harassment).

6.11.1 Insults

All insults occurring in connection with the ESL Premiership participants will be punished with six (6) minor to one (1) major penalty points. This primarily applies to insults during a match but also on the ESL website (forums, match comments, player guest books, support and protest tickets, etc.). Insults on IRC, IM programs, email or other means of communication will be punished if they can be linked to the ESL Premiership and the evidence is clear. Particularly severe abuse cases with radical statements or the threat of physical violence can result in significantly heavier penalties including the exclusion or to the deletion of the player. Depending on the nature and severity of the insult the penalty will be assigned to the player or to the team in team leagues.
